

_____List of Actions for which a Federal Register Notice is Required by Statute or Regulation

Planning

§1610.2(c) To initiate public participation when we begin the preparation, amendment, or revision of a resource management plan.

§1610.3-2(e) To give the reasons for our decision to accept or reject a Governor's recommendations on approval of a proposed resource management plan, amendment to a management framework plan, or resource management plan.

§1610.5-1 To publish a proposed Resource Management Plan.

§1610.7-2(b) To list potential ACEC designations upon approval of a draft resource management plan, plan revision, or plan amendment involving ACECs.

Program Management

§1784.1-1(b) To give notice of a decision to establish, and the establishment of, an advisory committee not required by statute.

§1784.4-1 To call for public nominations for appointment to advisory committees.

Conveyances, Disclaimers, and Correction Documents

§1864.2 To publish notice that an application for a disclaimer of interest in land has been filed.

Special Laws and Rules

§2091.0-5(g) To publish an Opening Order to open public land to the operation of the public land and mineral laws.

§2091.1(a) To segregate land from the operation of the public land and mineral laws via a Notice of Realty Action.

§2091.2-1 To publish a Notice of Realty Action to segregate land that is available for disposal under The Recreation and Public Purposes Act and FLPMA.

§2091.3-1 To publish a notice of the filing of an application for the purchase of Federally-owned mineral interests under FLPMA.

§2091.3-2(b) To publish an Opening Order to open the land in a proposal or application described in §2091.3-1 which is denied, modified, or terminated before the end of the segregation period.

Attachment 1-1

§2091.4-1(b) To publish an Opening Order to open the land if a Desert-land Entry or Indian

Allotment is cancelled or relinquished.

§2091.4-2(b) To publish an Opening Order to open the land in an airport lease which has been terminated.

§2091.4-3(a) To publish a notice that a contract has been signed for lands covered by a Carey Act grant, which segregates the land described in the contract.

§2091.4-3(b) To publish an Opening Order to open the land when a contract under the Carey Act is terminated.

§2091.5-1(a) To publish a notice of an application or proposal for withdrawal, as provided in subpart 2310.

§2091.5-1(b) To publish a notice of the filing of an application or proposal for withdrawal resulting from applications and proposals filed on or after October 21, 1976.

§2091.5-1(b)(2) To publish a Public Land Order effecting the withdrawal in whole or in part of an application or proposal filed on or after October 21, 1976.

§2091.5-1(b)(3) To publish a notice denying a withdrawal application or proposal filed on or after October 21, 1976, in whole or in part.

§2091.5-1(b)(4) To publish a notice of request for cancellation of a withdrawal application or proposal filed on or after October 21, 1976, in whole or in part.

§2091.5-4(b) To open land covered by powersite reserves, powersite classifications, and powersite designations via an Opening Order.

§2091.5-6(a) To publish a Public Land Order to specify the date, duration and extent of segregation of a Congressional withdrawal when the implementing statute does not.

§2091.5-6(b) To publish an Opening Order for a Congressional withdrawal to specify when and to what extent the lands are to be opened when the implementing statute does not.

§2091.6 To revoke or terminate a withdrawal via a Public Land Order.

§2091.6 To open via an Opening Order a withdrawal that has been revoked, terminated or has expired.

§2091.7-1(b)(1) To publish an Opening Order to open land under a Recreation and Public Purposes Act classification made both before the effective date of the regulations and when the 18-month period of segregation expires before the effective date of the regulations.

§2091.7-1(b)(2) To publish an Opening Order to open land for a Small Tract Act classification.

§2091.7-1(b)(3) To publish an Opening Order to open land for a Classification and Multiple Use Act classification.

§2091.7-2 To publish an Opening Order to open land and terminate the segregative effect for Desert Land entries, Indian allotments, State selections (other than Alaska) and Carey Act grants made after the effective date of the regulations.

Exchanges

§2201.1-2(c)(2) To terminate the segregative effect of an exchange proposal via an Opening Order.

§2201.7-1(a)(1) To publish a decision notice approving or disapproving an exchange proposal.
This is discretionary.

§2203.3 To publish a notice for a public meeting regarding a proposed exchange.

Land Withdrawals

§2300.0-3(a)(5) To publish a notice of a Section 1326(a) ANILCA withdrawal.

§2310.1(a)(4) To publish a notice stating that a withdrawal proposal has been made or that an application has been submitted for filing.

§2310.2 To amend a withdrawal application submitted before October 21, 1976, to add Federal land to the land described in a previous application.

§2310.2-1(a) To publish an order allowing a withdrawal application.

§2310.2-1(b) To publish a decision to disallow a withdrawal application or proposal.

§2310.2-1(c) To publish notice of a withdrawal cancellation.

§2310.2-1(d) To publish notice of the date and time of termination of a withdrawal application or proposal.

§2310.3-1(a) To publish notice of a withdrawal petition, which subsequently becomes a withdrawal proposal, that is submitted simultaneously with a withdrawal application.

§2310.3-1(b)(1) To publish notice of the submission for filing of a withdrawal, extension or modification application.

§2310.3-1(c)(2) To publish notice of a public meeting concerning a withdrawal.

§2310.3-3(b)(1) To publish notice of the allowance of a withdrawal application.

§2310.3-3(e) To publish notice that a withdrawal application has been denied.

§2310.3-4 To provide notice that a withdrawal of over 5,000 acres in Alaska is effective.

NPRA

§2361.1(c) To give legal descriptions of the Utikok River Uplands, Colville River, and Teshekpuk Lake special areas, and any new areas having significant subsistence, recreational, fish and wildlife, or historical or scenic value in the NPRA.

Classifications

§2461.1(a)(1) To give notice of proposed classifications involving more than 2,560 acres.

§2461.2 To publish a notice of a classification.

§2461.5(b)(2) To publish a notice of termination of a proposed classification.

§2461.5(c)(2) To publish a notice of termination of a classification.

§2462.3 To publish notice of an exercise of supervisory authority by the Secretary to vacate a classification and reinstate the proposed classification.

Color-of-Title and Omitted Lands

§2546.1 To publish notice of the sale of land within Idaho's Snake River Omitted Area.

Carey Act Grants

§2611.1-4(b) To publish notice that a Carey Act contract has been signed.

§2612.1 To publish notice when Carey Act land is desired for patent that less than 5 acres of a smallest legal subdivision of it can be reclaimed, that it is not essential for the reclamation, cultivation, or settlement of the land, and that it must be relinquished and will be restored to the public domain.

§2613.1(b) To restore land previously segregated under the Carey Act.

FAA Airport Grants

§2641.2(d) To give notice of an Airport and Airway Improvement Act application for conveyance.

§2641.3(a) To publish a notice of realty action for an Airport and Airway Improvement Act proposed conveyance.

Alaska Native Selections

§2650.7(d) To give notice of a decision proposing to convey Alaska Native Selection land.

§2653.5(h) To give notice of the filing of an application for an existing cemetery site or historical place under section 14(h) of ANCSA.

§2653.6 (a)(3) To publish notice that the head or any authorized representative of an Alaska Native Group under ANCSA has filed on behalf of the group for determination of its eligibility under 14(h)(2) of ANCSA.

§2653.9(d) To give notice of an application by an Alaska regional corporation for selection of land within its boundaries under section 14(h)(8) of ANCSA.

FLPMA Sales

§2711.1-2(c) To publish a notice of realty action offering a tract or tracts of public lands identified for disposal by sale.

§2711.1-2(d) To publish a notice terminating the segregative effect of a notice of realty action for a public land sale.

Recreation and Public Purposes Act

§2741.5(h)(3) To publish a Notice of Realty Action under the Recreation and Public Purposes Act.

Rights-of-Way

§2802.4 (e) To publish a notice to hold public meetings on an application for a right-of-way grant or temporary use permit.

§2803.1-2(d)(5) To publish rental schedules for right-of-way grants or temporary use permits.

§2803.1-3(c)(1)(i) To publish a Notice of Realty Action to indicate the availability of public land for a competitive right-of-way offering.

Rights-of-Way under the Mineral Leasing Act

§2882.3(b) To publish notice of an application for a Mineral Leasing Act right-of-way grant which is not minor in its impacts.

§2882.3(f) To publish notice of needed public meetings or hearings on an application for a Mineral Leasing Act right-of-way grant or temporary use permit.

Leases

§2911.2-2(b) To publish a Notice of Realty Action for an airport lease.

Leases, Permit, and Easements

§2920.4(c) To publish a Notice of Realty Action for a lease, permit, or easement.

Oil & Gas Leasing

§3103.4-2(b)(4) To publish termination of the benefits of a royalty rate reduction for a stripper well.

§3103.4-3(b)(6)(i) To publish suspension or termination of royalty reductions, and terminate the availability of further royalty relief for heavy oil.

§3108.2-3(b)(2)(v) To publish notice of a proposed Class II reinstatement of a terminated oil & gas lease.

§3108.2-4 (g) To publish a notice of a proposed conversion of an oil placer mining claim into a non-competitive oil and gas lease.

§3110.5-2(c) To publish the effective date of approval of protracted surveys for land for a non-competitive Mineral Leasing Act lease.

§3120.3 To publish notice that implementation of the provisions contained in §§3120.3-1 through 3120.3-7 is being considered.

§3130.2 To publish notice of availability of a programmatic or site-specific environmental impact statement under section 102 of the National Environmental Policy Act of 1969 concerning oil and gas leasing in NPRA.

§3131.1 To publish a notice calling for comments and information during preparation of a proposed oil and gas leasing schedule for the NPRA.

§3131.2(a) To issue calls for nominations and comments on tracts for leasing in the NPRA for oil and gas in specified areas.

§3131.4-1(a) To publish notice of sale of oil & gas leases in the NPRA.

§3141.4-1 To publish the reasons for acceptance or rejection of Governor's recommendations concerning tracts proposed for sale in Special Tar Sand Areas.

§3141.6-2 To publish a determination to offer land for competitive leasing in Special Tar Sand Areas.

§3164.1(a) To issue an Onshore Oil and Gas Order.

§3191.1-4 To publish a notice of proposed delegation of authority for inspection, enforcement, and investigation of oil and gas leases.

Coal Management

§3400.5 To establish a coal production region.

§3410.2-1(c)(1) To publish a Notice of Invitation for participation in coal exploration.

§3420.3-2(b) To publish a call for expressions of coal leasing interest.

§3420.3-4(a)(1) To publish notice for the public to comment on subfactors of the major categories for consideration in ranking tracts for coal leasing.

§3420.3-4(d) To publish a notice giving the public notice opportunity to comment on a coal regional lease sale draft EIS and a public hearing on the matter.

§3420.3-4(g) To publish notice of a Regional Coal Team meeting to recommend specific tracts for lease sale and a lease sale schedule.

§3420.4-3(c) To publish the acceptance or rejection of a Governor's recommendations in the

matter of a coal lease sale.

§3420.5-1 To announce a final regional coal lease sale schedule.

§3420.5-2(a) To provide for a comment period on a proposed revision to a coal lease sale which would increase the number or frequency of sales, or the amount of coal offered.

§3420.5-2(a) To revise a coal lease sale.

§3422.1 To solicit public comments on the fair market value appraisal and the maximum economic recovery of a tract in a coal lease sale proposed to be offered and on factors that may affect these two determinations.

§3422.2 To publish notice of a proposed coal lease sale.

§3425.3(a) To announce the availability of an EIS or EA, and the hearing for a proposed lease on application lease sale.

§3430.4-3(b)(2) To publish a notice of availability of a coal preference right lease cost estimate document.

§3430.4-3(c)(3) To publish a notice of availability for a Record of Decision for a coal preference right lease application.

§3435.3-5 To publish notice of a coal lease exchange proposal and hearing.

§3461.2-1(a)(2) To call for public comments on an application of coal unsuitability criteria

§3480.0-5 To publish a coal general mining order.

Solid Mineral Leasing other than Coal and Oil Shale

§3515.25 To publish notice of solid minerals proposed mineral lease exchange.

Mineral Materials

§3622.3 To publish notice that removal of petrified wood is not allowed or to modify such use.

Mining Surface Management

§3809.31(a) To publish notice of the boundaries of areas where cumulative effects of casual use mining have resulted in, or are reasonably expected to result in more than negligible disturbance.

§3809.807(c) To publish a State Director Review decision on a mining surface management matter when the original decision was also published in the Federal Register.

Grazing

§4120.4(a) To publish a final special grazing rule when local conditions require it.

§4130.8-3 To publish a notice of a change in grazing service charges.

Attachment 1-7

Visitor Services

§8364.1(c) To issue an order to close or restrict use of public land.

§8365.1-6 To publish a supplementary rule.

Use Authorizations

§8372.1-2 To publish notice that special recreation permits will be required for recreational use other than commercial, competitive, and off-road vehicle use in a special area.

§8372.4 To publish a special recreation permit fee schedule.

Advisory Committees

41 CFR 101-6.1015(a) To reestablish, use, or renew an advisory committee, except one that has been specifically directed by law or established by the president by executive order.

41 CFR 101-6.1015(b) To give notification of an advisory committee meeting.
